

CALL FOR SPONSORS/SUPPORTERS!

Application due by October 30, 2026

Ontario Cooperative Education Association (OCEA)

2026 Virtual OCEA Fall Symposium

Building Student Futures Through Virtual Collaboration

Being held on November 5, 2026 - Online via Zoom

Hello from OCEA!

We are staying virtual for our **2026 Virtual OCEA Fall Symposium**. Instead of having exhibitors participate virtually we would like to offer an invitation to **SPONSOR/SUPPORT** our upcoming **2026 Virtual OCEA Fall Symposium** on **November 5, 2026**, at the rate of **\$375.00 (No HST)**.

Your support will be exclusively promoted within all our media including, but not limited to, visuals recognizing our **SPONSORS/SUPPORTERS** throughout the symposium, acknowledgement on our website for up to six months (www.ocea.on.ca) and an exclusive post in our **OCEA e-News: December 2026/January 2027 Edition** that goes out to all our members and contacts. Most importantly, this participation will highlight your commitment to professional development for teachers and educators who are involved with helping students achieve continued "Success in a Modern World!"

This important event will bring together over 300 **Cooperative Education, OYAP, SHSM and all other forms of Experiential Learning** teachers and educators from across Ontario for professional development and sharing of best practices. Companies, organizations, and employers will also be invited to participate in our virtual event.

Working with today's youth to prepare them for tomorrow's workforce, to be ready for future challenges and to become good community members is a goal that we take very seriously. To help us accomplish this goal, we make sure that our own skills and knowledge are regularly upgraded to ensure that we can offer our students the best know-how and methods and "Success in a Modern World".

We feel that offering the opportunity to **SPONSOR/SUPPORT** our event will give organizations greater and longer-lasting exposure than a "virtual exhibit" would. ***This is a great way for organizations to promote their products and services to our full membership, not just those who attend the OCEA Fall Symposium.***

If you wish to participate as a **SPONSOR/SUPPORTER** at the rate of **\$375.00 (No HST)**, please complete the following application : <https://forms.gle/JFvje7CKftrB7Fnt9> Once the application has been received an invoice will be issued for payment.

Please feel free to contact me if you have any questions, suggestions, or concerns.

Sincerely,

Yours in Cooperative Education,

Carol Madsen

The Ontario Cooperative Education Association (OCEA) is a not-for-profit professional organization of Ontario's secondary school educators who are involved in Cooperative Education and other forms of Experiential Learning. We strive to provide the leadership and vision needed for the professional development of our members. One of the main goals of our Association is to develop and facilitate access to information, resources, and other supports relevant to our members as they deliver workplace learning programs for secondary school students.
