

## CALL FOR SPONSORS!

**Application due by October 17, 2024**

**Ontario Cooperative Education Association (OCEA)**

**2024 Virtual OCEA Fall Symposium**

*Collaborate – Integrate – Innovate!*

**Being held on November 7, 2024**

**Online via Zoom**

### *Hello from OCEA!*

We are staying virtual for our **2024 Virtual OCEA Fall Symposium**. Instead of having exhibitors participate virtually we would like to offer an invitation to **SPONSOR** our upcoming **2024 Virtual OCEA Fall Symposium on November 7, 2024**. Your participation will be exclusively promoted within all our media including, but not limited to, visuals recognizing our **SPONSORS** during the symposium, acknowledgement on our website ([www.ocea.on.ca](http://www.ocea.on.ca)) and an exclusive post in our **OCEA e-News: January 2025 Edition** that goes out to all our members / contacts. Most importantly, this participation will highlight your commitment to professional development for the educators who are involved with helping students achieve success.

This important event will bring together over 300 **Cooperative Education and other forms of Experiential Learning** teachers / educators from across Ontario for professional development and the sharing of best practices. Companies, organizations, and employers will also be invited to participate in our virtual event.

We feel that offering the opportunity to **SPONSOR** our event will give organizations greater and long-lasting exposure than a "virtual exhibit" would. **SPONSORS'** logos and information will be showcased during the symposium and will be highlighted on our website for up to six months. ***This is a great way for organizations to promote their products and services to our full membership, not just those who attend the OCEA Fall Symposium.*** This sponsorship opportunity will be a fantastic, long-lasting exposure that far outweighs sitting in a **virtual exhibitor room**.

**Cooperative Education and other forms of Experiential Learning** teachers / educators from across the province of Ontario work with youth to prepare them for the workforce, to be ready for challenges the future may bring, and to become good community members. It is a tall order, and one that **Cooperative Education and other forms of Experiential Learning** teachers / educators and OCEA take very seriously. To help us accomplish this goal, we make sure that our own skills and knowledge are regularly upgraded. To this end, OCEA hosts a yearly fall symposium for our teachers / educators to ensure that we can offer the best know-how and methods for the workforce of tomorrow.

If you wish to participate in this offer as a **SPONSOR** at the rate of **\$350.00 + \$45.50 (13% HST) = \$395.50** for our **2024 Virtual OCEA Fall Symposium**, please complete the attached application. Once the application has been received an invoice will be issued for payment.

Please feel free to contact me if you have any questions, suggestions, or concerns.

Sincerely,

Yours in Cooperative Education

*Carol Madsen*

*The Ontario Cooperative Education Association (OCEA) is a not-for-profit professional organization of Ontario's secondary school educators who are involved in Cooperative Education and other forms of Experiential Learning. We strive to provide the leadership and vision needed for the professional development of our members. One of the main goals of our Association is to develop and facilitate access to information, resources, and other supports relevant to our members as they deliver workplace learning programs for secondary school students.*
