MESSAGE FROM THE OCEA CHAIR 2019-2020

The 2019 OCEA Fall Symposium was a huge success again this year! It was wonderful to meet and speak with so many dedicated professionals, and to be exposed to new ideas and share best practices.

The available workshop presentations from the symposium have been uploaded to our website in the Members Only Resources section.

Our OCEA Leadership Team members are continuously on the lookout for articles and resources to post on our website, please keep checking our website for updates (<https://oceacon.ca>). Also, please consider submitting articles and resources for sharing on our website that would be of interest to our members.

OCEA exists to provide opportunities for professional learning, and we are thrilled to announce that a 2020 OCEA Spring Conference will take place during April 20th and 21st, 2020 in the Toronto area. We already have so many great workshop ideas from our members and our community partners. More details will be available in the new year.

Stay tuned! Exciting things are happening!
